

TEMPLATE: GLOBAL INVOICE NAP

This document is a template to facilitate the implementation of Volvo's Global Invoice specification. If, for any reason, discrepancies should exist between this template and the specification GLOBAL INVOIC 2.0 NAP (as published on www.volvo.com/edi_europe), it is always the information presented in the specification that is valid.

RED: ALWAYS MANDATORY

BLUE: REQUIRED UNDER CERTAIN CONDITIONS The conditions are explained in black, bold text at the right. This text is valid for the elements in blue, and not necessarily for the whole segment.

GREEN: OPTIONAL (The supplier always decides the use)
