

Sunset Migration EDI format 2016

To adapt to changes in the telecom industry Volvo Group has initiated a migration project to migrate old formats to the newer ones. The EDI processes will be migrated from an obsolete version of messages to Global versions which are commonly used across the continents.

Messages which are in scope and will be migrated to the newer version can be found in the table below:

<i>Format:</i>	<i>Migration to:</i>
Delins	Delfor D04A
Delfor D96A	Delfor D04A
AVIEXP V3	DESADV D07A
DESADV D96A	DESADV D07A
INVOIC OD3	INVOIC D03A
INVOIC D96A	INVOIC D03A

For more information about Global formats please check our [Specifications & Guidelines](#).
